Canuck Place
CHILDREN'S HOSPICE

It's All About The Kids

Once again, HomeLife is very happy to raise funds and awareness for Canuck Place, Children's Hospice.

When a child is diagnosed with a life-threatening illness, parents are impacted by the 24-hour care they provide for their child. The very real stresses incurred by these families include financial pressures, relationship challenges, fatigue, distress and increasing acute-care needs which impact mental and physical health and overall quality of life for BC families.

Canuck Place Children's Hospice is there for children and their families in BC, facing life-altering challenges. They provide a community who lift up families and stand strong in a belief that children deserve to live their best life. To live with dignity and feel a world that loves and cares for them. For over two decades Canuck Place has provided care and a remarkable story of exceptional, innovative and world-leading pediatric palliative care that treasures humanity and a culture of understanding.

Your generosity and kindness has made a significant difference in the lives of BC's children with life-threatening illnesses and the families who love them.

Because of you, the most medically complex and ill children and the families who love them have the best care. At any given time, approximately 1400 children in BC are living with a life-threatening condition. These children and their families need Canuck Place to support them in living the end of life as fully as the beginning. You make that possible.

Our 18th Annual tournament is being held Wednesday, July 10th at Redwoods Golf and Country Club. We hope you will join us once again, for a fantastic day of golf, lots of fun and prizes, gifts for all, a live and silent auction, and best of all, to help us raise funds for a great cause!
